

## AESTHETIC FACIALS

### MOISTURE REPLENISH FACIAL

\$140

Quench the thirst of parched, dehydrated skin with a nourishing facial. Your skin will feel purified and look healthy and deeply hydrated.

### AGELESS FACIAL

\$140

Turn back time using a combination of products and modalities designed to improve the skin's firmness and provide a more youthful appearance.

### ILLUMINATING FACIAL

\$140

Using brightening antioxidants such as vitamin C. This facial will illuminate even the dulliest skin and have you feeling radiant.

### CLARIFYING FACIAL

\$160

When pores are congested and frequent breakouts are a problem, a clarifying facial will help clear up blemishes and soothe irritated skin.

### H2GLOW FACIAL

\$175

Improve your skin's overall texture, tone, and appearance. This treatment utilizes hydrodermabrasion to deep cleanse and remove debris from pores. Then, peptide and brightening serums are infused into the skin and finished with LED light therapy to get that radiant glow.

### DIAMOND H2GLOW FACIAL

\$225

The ultimate luxury for your skin, the Diamond H2Glow also uses hydrodermabrasion techniques for deep pore cleansing and infusion of peptide serums for a smooth appearance. This facial goes one step further using cryo therapy, oxygen therapy, and LED light therapy to give the skin a youthful, hydrated glow.

### TREATMENT ADD-ONS

\$35+

Customize your facial with treatments that address specific concerns about your skin. We offer:

- Cryo Therapy
- Oxygen Therapy
- High Frequency Therapy

## ADVANCED TREATMENTS

### MICRODERMABRASION

\$180

Smooth tired skin and clean out pores for a more even skin tone through physical exfoliation combined with a gentle vacuum that sweeps away dead skin cells.

### DERMAPLANING

\$100

Reduce the appearance of imperfections or unwanted fine hair. This treatment removes the buildup of skin cells and fine hair using a medical-grade scalpel.

### CHEMICAL PEEL

\$180

Minimize the effects of aging through this resurfacing technique. If fine lines, sun damage, age spots, genetics, or hormonal changes are a concern, this treatment can improve the look and feel of the skin.

### MICRONEEDLING

\$300

An advanced anti-aging technique, microneedling helps to reduce fine lines, acne scars, and enlarged pores. This treatment uses a microneedling pen to stimulate the skin's natural repair function to create collagen and elastin.

## LASH/BROW SERVICES

### LASH LIFT

\$90

Natural lashes are lifted and curled, making them appear fuller, thicker, and longer. Your eyes will appear more open and youthful with this quick treatment. Pair with a lash tint for the mascara look! (\$110 for Combo)

### BROW LAMINATION

\$90

Brow lamination makes brows appear fuller and more even. This technique smooths and lifts the brow hair in a vertical direction. Pair with a brow tint to complete the look! (\$110 for Combo)

### LASH OR BROW TINT

\$40

Enhance, shape, and define the lashes or brows using a semipermanent color.

### BROW OR FACE WAXING

\$30

Brow or facial waxing is a treatment to remove unwanted hair. The aesthetician will perform a consultation prior to treatment. Facial waxing can be completed on the upper lip, sides of the face, or chin.
